

Tracking the Global Recession: Economic Indicators - United Kingdom

Data last updated 2010-01-19.

NOTE: The charts plot four main economic indicators similar to those tracked by the [NBER](#) dating committee for the U.S.; each series is indexed to 100 at the business cycle peak. The red line indicates the [current recession](#). The solid blue line indicates the average of the [previous seven recessions](#), starting with the June 1973 peak. The two dashed lines report the highest and lowest values recorded across these previous recessions.
